

PRESENTATIONS GUIDELINES

Oral Presentations	
Duration	10 minutes presentation and 5 minutes discussion/questions. It is important to respect the time limits set
Format	A power-point presentation is required and should follow the abstract format (e.g. background/need, aim, methods, results, conclusions, discussion, future studies)
Recommendations	We strongly recommend to all authors to be interactive during their session
Workshops	
Duration	1 and a half hour. It is important to respect the time limits set
Format	A power-point presentation is required in addition to any other types of material or methods that the author/s would like to used during the workshop
Recommendations	We strongly recommend to all authors to be interactive during the workshop
Discussion Panel	
Duration	1 hour. It is important to respect the time limits set
Format	A power-point presentation is required in addition to any other types of material or methods that the author/s would like to used during the discussion panel
Recommendations	We strongly recommend to all authors to be interactive during their session and form a small discussion panel of 2-3 individuals that will accompany them
Round Tables	
Duration	10 minutes/speaker and 10 minutes discussion. It is important to respect the time limits set
Format	A power-point presentation is required
Recommendations	We strongly recommend to all authors to be interactive during their session
